About Thao

Thao is a lifestyle content creator sharing authentic stories about personal growth, learning, and navigating life as an international student in the U.S. Her content spans relatable "talking-head" videos, study-abroad experiences, and honest reflections on youth and self-improvement. Having previously worked on the brand side of influencer marketing, Thao brings a high level of professionalism, clear communication, and seamless brief execution to every partnership, ensuring content that feels organic to her audience while delivering real business value.
